

ZEN COMBAT TRAINING SIMULATOR SYSTEM (ZEN CTSS)

Zen Combat Training Simulator System (Zen CTSS) enables conduct tactical exercises with troops, as in actual battlefield, with own and enemy forces, in terrains of own choice.

Tests commanders at all levels for any and every contingency by exercising troops.

Enables use of personal weapons, battalion support weapons and all major combat firing weapon systems in actual or simulated form.

Uses Harness Sets for soldiers, Laser Unit for weapons, integrates GPS, Control Unit and the Communication Module with the Central Control.

www.zentechnologies.com

Exercise Commander retains control and monitors in real time.

The Exercise Control Centre collates & analyzes the information, displays and records kills, serious injuries and near misses, ammunition state etc.
