# Inspiring PRINCE2® Training

About PRINCE2

PRINCE2 is a project management method that will benefit all types and sizes of projects in any domain. Designed to facilitate effective organisational control of projects, it consists of 3 integrated elements - 7 Principles, 7 Themes, 7 Processes – with supporting advice on governance and tailoring the method to meet organisational and project needs. PRINCE2 is becoming the most widely used project management method in the world, and now includes an Agile extension.

About Goal Group

Goal Group is an affiliation of complementary Small to Medium Enterprises (SMEs) that provide a significant breadth of knowledge and experience. Inspiring Projects has been part of the Goal Group since it was established in 2006. They are recognised as an Accredited Training Organisation, licensed to deliver training in PRINCE2 Agile and other Best Management Practice products. Our training is offered throughout the Asia Pacific region. We have had over 20 years' experience in using PRINCE2 and agile techniques in real projects, and bring this deep experience to our courses.

About our training

Our PRINCE2 training is designed to assist people and organisations to quickly develop the skills base and 'know-how' needed to effectively adopt and apply PRINCE2. Our trainers and training materials are regarded as among the best available in Australasia. We incorporate the latest research in effective learning into our approaches. In support of the different ways people learn, our courses include a mixture of presentations, hands-on activities, discussions and review sessions. After their courses, our delegates are given access to the tools we have developed to increase the success of our projects. In addition to our accredited Foundation and Practitioner courses, we offer associated executive briefings and short courses, and workshops on specific skills needed in a PRINCE2 project management environment.

Additional support

We can deliver any of our courses in-house or virtually, or by self-study and eLearning modes, and can customise our courses to better suit your needs. We also provide ongoing coaching and mentoring support, as well as in-depth consulting and assessment services.

PRINCE2 Combined Foundation and Practitioner Course

Course Code	PR2C5
Overview	The Combined course blends our Foundation course and Practitioner seminar. Each participant is first provided with a solid Foundation in PRINCE2 concepts, and is then advanced to a Practitioner understanding of how to apply PRINCE2 in realistic project scenarios and adapt PRINCE2 to different project environments.
Course Objectives	The Foundation Course will: • Provide detailed explanations of PRINCE2's integrated elements and their relationships; • Explain how to use the Process Model to assemble Stage Plans; • Provide careful and detailed preparation for the Foundation Exam. The Practitioner Seminar will: • Expand the participant's understanding of the principles and philosophies underpinning PRINCE2; • Provide participants with exposure to how PRINCE2 is applied in different project environments; • Explain how PRINCE2 can be effectively applied to address the needs and problems of a specific project scenario; • Provide careful and detailed preparation for the Practitioner Exam.
Who Should Attend	• Experienced Project Managers who need to be able to work effectively in a PRINCE2 environment; • 'Accidental' Project Managers in need of a method to help manage projects of different types and sizes; • 'Centre of excellence' staff who need a solid understanding of PRINCE2 to tailor the method for their organisations; • Project and programme support staff wanting to learn how to effectively operate in a PRINCE2 environment; • Anyone wishing to round out their resume with a formal internationally recognised project management certification.
Prerequisites	There are no prerequisites for the course.
Course Content	The Foundation course covers PRINCE2's: • Principles, or good practices underpinning every project; • Themes, or guidance on critical aspects of project management; • Processes, or project lifecycle. The PRINCE2 Foundation Exam is a 1 hour closed book exam. There are 75 multiple choice questions. The candidate must correctly answer 50% or more of the questions to pass the exam. The Practitioner Seminar is a scenario based training course focusing on the application of PRINCE2 under different project environments and scenarios. Review and revision sessions of all PRINCE2 elements are included throughout the training. The PRINCE2 Practitioner Exam is a 2½ hour, open manual, scenario based multiple choice exam. The exam consists of 108 questions across 9 syllabus areas presented in the following styles: Classical multiple choice; Yes/No; Multiple response; Matching; Sequencing; Assertion/Reason. The candidate must correctly answer 55% or more of the questions to pass the exam. Candidates for the Practitioner Exam must have passed the Foundation Exam. There will be homework each evening. We conduct the exams on behalf of Peoplecert International.

PRINCE2 Practitioner Reregistration or Refresher Seminar

Course Code	PR2R2
Overview	In line with international standards on accreditation, the registration of PRINCE2 Practitioners expires after 5 years. Practitioners may reregister from 3 to 5 years after the date they attained their registration. This Seminar provides each participant with an update on changes to PRINCE2 since they became registered, then prepares them to sit the Practitioner Reregistration Exam. This Seminar is also useful for those who gained an awareness of PRINCE2 based on a previous version, and who wish to upgrade their knowledge to align with the current version.
Course Objectives	The Practitioner Reregistration Seminar will: • Provide participants with a bridging between the previous and current versions of PRINCE2; • Provide careful and detailed preparation for the Practitioner Reregistration Exam.
Who Should Attend	PRINCE2 Practitioners whose registration is about to expire, and who wish to extend their registration. Others who need to align their knowledge of PRINCE2 with the current version, but who do not need to gain a certification.
Prerequisites	Reregistration exam candidates must be Registered PRINCE2 Practitioners.
Course Content	The Reregistration Seminar is in two parts: • A bridging briefing, during which we provide candidates with an update on recent changes to PRINCE2; • A Practitioner Reregistration Exam preparation seminar. The PRINCE2 Practitioner Reregistration Exam is a 1 hour, open manual, scenario based multiple choice exam. The candidate must provide responses to 3 questions presented in the following styles: Classical multiple choice; Yes/No; Multiple response; Matching; Sequencing; Assertion/Reason. The maximum score for the exam is 36 marks. The candidate must score 55% or more marks to pass the exam. Candidates for the Practitioner Reregistration Exam must have previously passed the Practitioner Exam. We conduct the exam on behalf of Peoplecert International. Successful candidates will be required to re-register within 3-5 years of the renewed certification There will be homework each evening.
Included with the course	Our PRINCE2 Bridging Guide, outlining recent changes to PRINCE2 The latest version of the PRINCE2 Manual The latest version of our PRINCE2 Desk Reference chart Delegate Workbook including activities and sample exams
Delivery	Inhouse or virtual classroom, or self-guided study. eLearning offering coming.
Availability	We run this seminar only when there is sufficient demand. We keep track of people with particular needs, and contact them when we are able to meet their need. If this is you, please register your interest in this seminar on our website and we will add you to the waiting list. Alternatively, you can request a quotation for an in-house seminar.
